

Beachwood Receives 3rd Consecutive Award from New Jersey Healthcare Quality Institute's Mayor's Wellness Campaign!

Beachwood named MWC Continued Excellence Award Winner

For the third year in a row, Beachwood has been recognized by the New Jersey Healthcare Quality Institute Mayor's Wellness Campaign for its comprehensive and hugely successful community programs. The Beachwood Mayor's Wellness Campaign was established in 2014 to provide health-focused, engaging events for residents of all ages.

After earning the distinction of the newly created *Healthy Town to Watch* in 2014, and then winning the coveted title of *Healthy Town* in 2015, Beachwood was again honored with another newly minted honor, the *MWC Continued Excellence Award*, for 2016.
