July 10th, 12th, 17th, 19th, 24th, and 26th

FOOTPRINTS for LIFE is a research-based primary prevention program designed to build assets and teach skills through the use of puppets and stories that feature "real-life" situations. This program is designed to promote development of necessary assets to deter the first use of alcohol and other drugs. FOOTPRINTS for LIFE is focused on five key social competencies: Planning and decision making skills, interpersonal skills, cultural competence, peer pressure and peaceful conflict resolution.

GENERATION POUND is a youth-oriented program that fuses movement and music to improve focus, coordination, physical fitness and teamwork skills. By combining exercise and interactive activities, kids will learn new ways to explore movement, embrace their creativity and ROCK OUT-ultimately building strength, confidence and self-awareness.

Cost of program will be \$10 for the first child and \$5 for each additional child due by July 1st.

Registration must be completed at Beachwood Borough Hall

Please make checks payable to Beachwood Mayor's Wellness Campaign
