

BEACHWOOD RE-ORGANIZES

Father Kevin Keelan, St. Barnabas R.C. Church once again conducted our Invocation and offered his words of comfort and support as we kicked off another Re-organization.

Courtney Zahn performed our National Anthem and led several hundred attendees in the Salute to our Flag, as she has done for more than half her young life. It's great to see how she and her talent have grown.

As we offered our pledge we were treated to the sounds of pipes and drums from the ever faithful supporters of the Ocean County Emerald Pipers. They were present at our official opening day of the Municipal Complex and have graced every re-organization since 1996. Thank you to our Pipers...

We were honored to have 9th Legislative District Senator Christopher Connors on hand to issue the Oath of Office to our new Mayor and former Councilman Ronald F. Roma. A proud moment shared by Mrs. Roma and their sons.

Councilmen Gregory Feeney and Steven Komsa received their Oath of Office with family members in attendance.

Issuing the Oath of Office to our appointees was the first official duty performed by Mayor Roma. Special thanks to all our appointees for VOLUNTEERING for these assignments. The theme of the night was the acknowledgement of all our great volunteers who step up to the plate when called upon, day or night, with nothing expected in return. They deserve the support of all our residents.

Finally the swearing in of the Fire Company Line Officers 2012

It was a great night and a great start to a New Year.

We wish everyone a Happy and Healthy New Year.
