Reports

Yoga

Yoga has begun, and please sign up for a shift.

Sings have been ordered and will be done this week. They will be placed at a few locations near the beach to inform about the program.

RiverFest

Thirty-one vendors confirmed for this weekend. Our goal was 30, so we are in good shape.

Reviewed layout, radio appearance, special presentations (auto show and engine club) are confirmed.

Inflatable rides will be placed in the grassy clearing where the games were last year. We will shift the games to the left of that area.

We are ready to go.

July 4

Sue provided a general report on the plan for July 4. Same routine as in the past, we will park in designated areas, vendors will line the rim of the parking lot to the left of the pavilion (facing water).

Tennis

Scheduled to start for July 12, 2014. Parents meeting scheduled July 10 at BCC.

Ron requested vote for equipment and shirts for the program. Specifically:

\$425 for tennis racquets and T-shirts for the children

Motion – Anthony

2nd – Charlotte

Passed unanimously

5k

Initial concern existed about relocating the starting/finish lines and part of the race route around planned construction to begin after Labor Day. Construction was moved to the week after the 5k (October 6), so our original plan remains in place.

We have the Lamp Post on board for our pre-registration night October 3, as well as the after-race party on October 4.

Steve and Ron requested a vote on \$1500 to cover the cost of the timing company, Split Second, for the race.

\$1500 for timing contract

Motion – Ron

2nd – Anthony

Passed unanimously

New Business

None.

No public present for discussion.

Meeting adjourned approximately 8:30 PM. Motion by Sue, 2nd by Charlotte, passed unanimously.
