

Hello Tourism Council and Friends,

Our Ocean County Tourism Military Appreciation site is now built and ready to load!

All businesses and services located in Ocean County are welcome to go to www.OceanCountyTourism.com, on HOME Page, go to **top right corner** ABOVE the military seal, and click on "**sign up**" this will take you to the registration page with instructions to load at your convenience.

The Ocean County Dept. of Business Development and Tourism will drive military and veterans to this site through an extensive marketing campaign, hyper-targeted to reach military communities that are up to four hours driving distance from our Ocean County Jersey Shore. This is a carefully designed initiative that showcases Ocean County as a "Military Friendly Destination", to encourage more military to choose our county for their vacation or day trip getaways!

Don't miss this FREE opportunity to promote your business to those who serve and sacrifice for us every day. They have given their lives to our country, let's take the time to serve them some FUN!!

Please reach out to our office at 732 929 2000 with questions or for guidance on registering your business to load on our site. We need your discounts to implement this campaign... so please take advantage of this unique opportunity to generate new customers and celebrate Ocean County as a Military-Friendly Destination!!!
